

ROCK DUNDO HEIGHTS, ST. MICHAEL

Executive property with apartments

Very spacious

Granite counters in all kitchens

Centrally located

Easy access to all amenities

Excellent investment

This is a beautifully designed property consisting of 4 residences and is located within easy reach of all amenities. The executive main house occupies the entire top floor with the laundry area on a lower level. Its main floor features an open plan living / dining / family room with patios off the three areas. The elegantly outfitted kitchen features granite counters, plenty of cupboards including a walk in pantry, and built in cooker top and wall oven. To one side of the main area are the guest bedrooms with a shared bathroom. The bedrooms have built in closets. The master is situated to the other side of the home. It is a spacious suite, complete with two walk in closets and bathroom with tub and separate shower and double vanity. There is access to a patio. There is a double garage with remote controlled doors, and the home is accessed via electronic gates. On the lower level, are situated 2 apartments. The larger of the 2, features 2 bedrooms with 2 bathrooms. The kitchen has granite counters and plenty of cupboards. The main bedroom is en-suite and the living and dining rooms are separate. The utility area is a spacious room located on a separate floor and leads to the yard. The other 2 apartments, one of which is on this same floor each consist of 2 bedrooms with 1 bathroom. While there is a double parking garage for the main house, there is plenty of additional parking space.
