

CATTLEWASH - CONTENT - HOUSE AND LOTS

 Saint Joseph, Barbados

Located just across from the beach at Cattlewash is this charming small development of 6 house lots ranging in size from 4,066 sqft to 7,119 sqft. The property was originally a large seaside home built in the 1960s. Its current owner has cleverly sub-divided the land and positioned each lot on the development to maximise its sea views and its proximity to the cooling sea breeze that blows in via the north east trade winds off the Atlantic.

The main residence is a spacious family home on 7,119 sq ft enjoying good views of Cattlewash beach and the rolling East Coast waves of Barbados in what is seen as one of the new hot spots in this beautiful Caribbean island offering extremely good value for money. The property is a detached home in this established site covering 2 floor levels and providing flexible family accommodation with the potential to expand and upgrade.

Lots are not being sold separately
