

## SUGAR CANE RIDGE VILLA 4

 Saint James, Barbados

A development of 22 elegant semi-detached four bedroom Town House Villas offering a contemporary approach to the interior layout mirroring the unique Royal Westmoreland style of Caribbean living. A ground floor master suite with luxury en suite bathroom boasts a large sitting area opening to the garden and patio whilst the two ground floor guest rooms link to a generous family bathroom suite. A fourth en-suite master guest bedroom of equally generous proportions is provided on the mezzanine floor. On the first floor, large French doors open up the elegant living and dining areas to a covered south facing terrace where the scents of the tropics, and glorious views of the sea, can be enjoyed to the full. The luxurious kitchen features granite counter tops and boasts Miele appliances throughout. Outdoors you may wish to consider the additional option of a four metre Plunge Pool or Sun Terrace. E&OE
