

CASTLE TERRACE

 Saint Philip, Barbados

The area is residential in character and is located in close proximity to Six Roads. The housing stock within the area is residential development with structures of concrete block wall with buildings of one and two storeys. There has been considerable residential development in St. Philip within the last twenty-five years and this has seen new developments at Atlantic Park, Crane, Windward, Sandford and Congo Road among other areas. There are shopping and a secondary school at Six Roads, several churches within a one mile radius and a primary school .5 mile to the east. Public transportation is readily available and all utilities are installed.E&OE
