

FREE HILL

 Saint George, Barbados

This grandiose residence is perched on a breathtaking ridge with 180 degree unobstructed views of the partial east, south and partial west coasts of the island. Its extensive patio was intentionally designed not only to seize the beauty of the sunrise and sunsets but also to embrace the natural flow of the cool breezes sweeping through the property. The fully enclosed home is accentuated by over an acre of rich foliage and well manicured grounds and mature fruit trees. Its private driveway which is enveloped by palms leads to a double car garage, laundry and commercial pantry, the main dwellings open plan concept, expansive recreational space and high ceilings gives a relaxing ambiance. The three spacious bedrooms of the of the main house are equipped with burglar bars ceiling fans and generous closet space while the master suite is outfitted with walk in closet and shower with a separated Jacuzzi loaf and this room leads onto the picturesque terrace. The lower level has a separated entrance and consists of two large bedrooms, family room or gym and a lovely recreational area that exits onto the gardens. E&OE
