

BELORI, THE FARM

Saint George, Barbados

Belori* is a 6,500 sq. ft. family home influenced with a blend of European, contemporary Caribbean and Oriental traditions is set on a ridge and within the contours of the land below. It has beautiful country views spanning the St. George Valley to Bridgetown, is fully enclosed with electronic gate access and sits on 15,800 sq. ft. of land. Marble floors throughout, clean lines with the inclusion of purple and greenheart wood; a mixture of coral rendered and smooth textured walls, high wooden ceilings, skylights and an internal garden with large rock feature and fountain cascading through the centre of the property is also highly visible from many points allowing natural light to penetrate the interior, and adding warmth to this already welcoming home. Descending the stairs with recessed displays and lighting is a powder room and storage area opposite. The landing with its built-in couch and additional seating; the separate cozy family TV room; the laundry and kitchen complete with centre-island and industrial gas stove, granite counter tops including a bar extension, Kitchen Aid stainless steel appliances and open plan dining and patio are all on the this level. The next level offers the formal living area which with the use of large glass windows and sliding doors takes full advantage of the internal garden to the East capturing the gradient of the property and to the West the imposing views and garden along with the large verandah making this a fabulous entertainment area. There is also an air conditioned bar and entertainment room with powder room located to the South and to the North a few steps down will take you to the lounge with separate patio. By way of a sky-lit spiral type stairs one will gain access to three air conditioned spacious bedrooms with en-suite bathrooms and walk in closets, two have private garden enclosures and one has a small patio facing the West, there is also an interconnecting wooden bridge taking you back to the foyer spanning the internal garden and water feature. Upstairs is the beautiful Master bedroom with en-suite bathroom, combined his/her walk-in closet and additional private patio facing the West. The basement of the property has two water tanks and pumps along with storage space.
