

PORT ST. CHARLES 208 LAGOON CONDO

 Saint Peter, Barbados

Port St. Charles 208 is a lovely 3-bed, 3.5-bath apartment set within Barbados's first marina resort, Port St. Charles development. All on one level, this apartment is on the second floor, with elevator and staircase access. Beyond the tropical elegance of the living room, a wide terrace provides an outdoor sitting and dining area overlooking not only the lagoon, but a remarkable view through the channel to wonderful sunsets. The kitchen looks on to both the terrace and the sparkling lagoon.

Two guest bedrooms, each with en suite marbled bathrooms, provide commodious retreats. The sumptuously large master bedroom commands a panoramic vista of the marina as Mega yachts enter and leave. The marble master bathroom is designed for privacy and indulgence, and accommodates a double vanity, and separate bath and shower. The relaxed luxury of Port St. Charles is evident in this residence, where waterfront Caribbean living can be experienced in comfort.

A fantastic turn-key option in a luxury development, this spacious open plan unit allows the new residents to enjoy all the amenities of the Port St. Charles Resort, which include water taxi service, floodlit tennis courts, a salon, gym, 24-hour security and a beach club with a swimming pool, restaurant and bar.
