

APES HILL, GREAT HILL LOTS

Saint James, Barbados

Apes Hill at 1000ft above sea level the panoramic views from one of the island's highest elevations combine with the cooling breezes of the Atlantic Ocean and Caribbean Sea to create one of the most unique high points in the Caribbean and quite possibly the world. Bringing together a special community of those that love golf, enjoy bespoke experiences, wellness and balance.

Where ancient gullies and coral caves provide a natural frame for Apes Hill's timeless modern architecture, with a handful of plots available for our turnkey bespoke home construction. We want to keep the footfall light so those here can enjoy the peaceful hilltop vibe.
