

## INCH BY INCH, SILVER SANDS

Christ Church, Barbados

This oceanfront villa, influenced by the distinct Mustique-Messel architectural style, features 3 bedrooms and 3 bathrooms, and spans across half an acre of beautifully maintained gardens set out on two lots, offering stunning views of the Caribbean Sea. Its prime location ensures easy access to local attractions, being only a 5-minute stroll to Silver Rock for surfing and kite surfing and a brief 10-minute drive to essential services and the airport. Surrounded by mature Casuarinas trees, the estate includes a swimming pool, a scenic lookout deck for awe-inspiring vistas, and is entirely surrounded for utmost privacy. The interior boasts an open-plan living space that flows effortlessly into a sheltered patio, the pool area, and the surrounding gardens, complemented by a contemporary kitchen. The master suite features a large en-suite bathroom and generous closet space, making this villa a perfect choice for those seeking to experience the genuine Caribbean way of life.
