

MAXWELL BEACH VILLAS

 Christ Church, Barbados

Maxwell Beach Villas (MBV) is a condominium development comprising fifteen luxurious apartments. It is situated in Maxwell in the parish of Christ Church in Barbados on the South Coast beach facing the Caribbean Sea. The Architect for the Development is Ian Morrison of Architects, Morrison Associates, one of the leading architects in Barbados. Ian has been responsible for some of the most outstanding hotel, condominium and villa designs on the island.

The development is comprised of fifteen 2 bedroom apartments; all with fantastic seaviews. The building features above and underground parking, an elevator, and professionally landscaped tropical gardens.

There is also a swimming pool and direct access onto the beautiful beach.

Unit # 303 2 bed US \$650,000.00 and 102 US 2 bed \$625,000.00 available
