

BEACHY HEAD

 Saint Philip, Barbados

This authentic large Barbadian home was been built as a planter's vacation home on the sea front. Set on a cliff overlooking Beachy Head beach this villa is perfect for large family or friend vacations. The villa has extremely large rooms and high ceilings which adds to the feeling of spaciousness. Each bedroom has its own ensuite bathroom. Three of the bedrooms are located on the windward side of the villa while the fourth is just off the kitchen and living area of the house. The kitchen is large, basic and fully equipped. Just off of the kitchen is the wash room with washing machine, dryer, large laundry sink and an additional freezer. The exit from the kitchen brings you to an informal dining area which then opens into a large dining area, the entry to the living space and the corridor to the other three bedrooms. There is a path through the grounds that leads to the steps that will take you down to the Beachy Head Beach. This property is also ideal and has been used frequently as a venue for weddings and other large functions. The villa comes with maid service three days a week - Mondays, Wednesdays and Fridays.
