

## PORT ST. CHARLES UNIT #306

 Saint Peter, Barbados

Beach Front - 306 is surrounded by sapphire ocean views on either side, with easy access to the beach, these apartments are a beach lovers delight. These homes are found on any of the three floors but are laid out on one easy level, with elevator access to the upper storeys. The magic of these homes is having patios on both sides enabling you to sit out and watch the sun set over the tranquil Caribbean sea on an evening, or to watch the boats going by in the marina where your boat is quietly berthed behind your home. These homes are available with three, four or five bedrooms. The seaside terraces enjoy the beach and sea views treasured in the day while the windward terrace shows off the lagoon and yachts, best in the evenings with the lights dimly shimmering on the water. Spacious living and dining rooms link the terraces with wide arches and sliding doors onto each terrace to really give a feeling of open island living where air conditioning is rarely needed although available.
