

## OCTOPUS' GARDEN

Saint James, Barbados

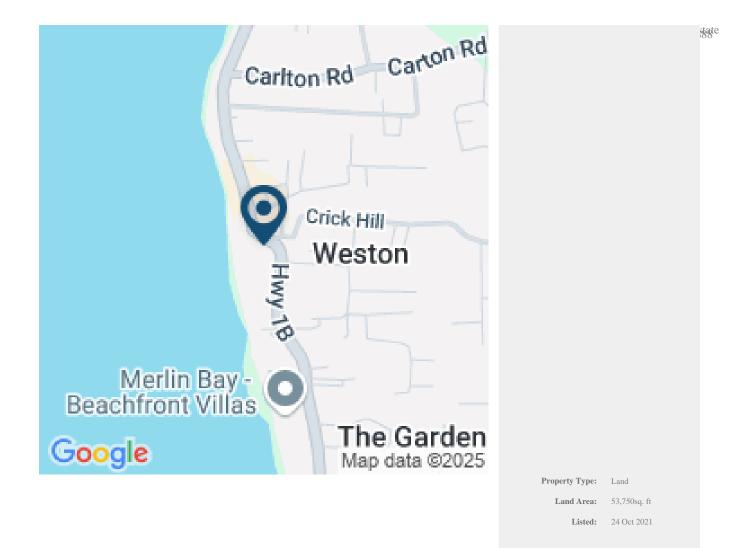

Octopus' Garden is an idyllic west coast property nestled on 1.25 acres of prime beach frontage. Its namesake is based on a song by the English rock band The Beatles, written by Ringo Starr after he received the wrong order while on vacation - instead of fish & chips, he got Octopus.

It offers a great development opportunity for a discerning client. There is a remarkable design by renowned architects Gillespie & Steele for a 7Bd villa with a detached 2Bd cottage, for which there is already planning permission.

It is in close proximity to the many amenities of Holetown which include its active dining scene with a plethora of restaurants and a variety of shops. The Royal Westmoreland, Apes Hill Club and Sandy Lane golf courses are all within an 8-min drive. This location will certainly offer luxurious living at its finest.
