

BULKELEY HEIGHTS

 Saint George, Barbados

This development is situated in the heart of the St. George Valley with excellent country views. The land is sloping which gives most lots the advantage of the view. Good coral foundation is seen throughout the development.

The location of the development gives easy access to Bridgetown, Warrens, and the airport. The area is quiet and breezy, yet it is close to major roads.

There are 31 lots in the Development and all available lots are over 10,000 sq. ft.

SALE PRICE: Lots priced at US\$10 per sq. ft.
