

COTTON HOUSE 1

 Christ Church, Barbados

This gem is nestled on Cotton Bay on the South Coast of Barbados, steps from Freights, one of the most popular surf breaks on the island. This is a multi-unit property, perched directly on the ocean, which is a very rare find that should not be ignored. Cotton House is a solid building comprising the primary home which is a two-bedroom, two-bathroom, open plan kitchen, dining, living room area that opens directly onto a full-width patio. On the same level is a studio apartment with its own entrance and beautiful outdoor living space. On the lower level is a one-bedroom, one-bathroom apartment with shuttered windows that reveal a spectacular view of the ocean when opened. Steps lead down to an additional small patio area that continues on to a beautifully secluded beach.
