

MOONDUST VILLA, APES HILL

Saint James, Barbados

The Moonshine Ridge collection reflects the Apes Hill Barbados passion for preserving and celebrating nature whilst innovating and repurposing for a sustainable future. The design approach embodies a timeless fresh, clean and boldly modern interpretation of Caribbean living while paying homage to the islands heritage with contrasting elements of indigenous natural stone taken straight from the grounds of Apes Hill itself. The increasing vulnerability of the natural environment is resonating with younger clients and they want to connect and interact with it in a much more intimate and consistent way cited Douglas Luke, of ElementsArchitecture and designer of the Moonshine Ridge Collection.
