

ROYAL WESTMORELAND - SHAMAL

Shamal is a beautifully furnished 4 bedroom, private villa, with stunning views overlooking the “platinum” West Coast of Barbados to the warm Caribbean sea. It is situated on the famous Royal Westmoreland Golf Resort and is a 5-minute drive to the beach.

Shamal’s grand colonial styled entrance opens to the lobby area which includes a powder room and a guest bedroom. Via a short hallway from the lobby, there is another guest bedroom, with doors opening onto a private terrace. The living room opens up onto a large pool deck and landscaped garden.

A staircase leads up to the two master bedrooms with private en-suite bathrooms. They open out onto a large balcony that looks out to the Caribbean Sea.
