

SANDY LANE – GRENDON HOUSE

Barbados

Grendon House is an exquisite five bedroom villa set within the breathtaking Sandy Lane Estate. This lovely home embraces you the minute you drive through the beautiful wrought-iron gates and into its lush, manicured grounds.

No detail has been spared: this home features many striking eating areas including the breakfast nook, which has a lovely vantage point over the pool, what a way to start the day. Dinner al-fresco is remarkable under the Caribbean Stars, alongside the tranquil pool or inside the Gazebo with the stone-top lazy-Susan table adjacent to the large barbeque. Back within the beautiful coral stone walls of the main house is a formal dining room with seating for 12. Whether it's a formal dinner, a quick breakfast before a round of golf, or a lazy lunch pool-side, Grendon House is the perfect setting.

For those that like a dip in the ocean and sand between their toes, your stay at Grendon House includes a Cabana at Sandy Lane Beach, giving access to the beautiful beach, beach chairs and use of the Property Owners Facilities including a bar and comfortable seating areas.

Grendon House provides an abundance of activities within its grounds, including lounging by the serene pool, where you can spend the whole day working on a beautiful tan in the brilliant Barbados sunshine. There are many sun loungers for your use and a shaded gazebo ideal for a fresh-air afternoon nap. Downstairs there is a large games room perfect for hosting a ping-pong tournament or a hand of poker. The lovely spacious patio upstairs which looks out onto the strikingly landscaped gardens has plenty of seating, and a bar where one could easily whip-up some afternoon cocktails: every hour is happy hour in Barbados!
