

ROYAL WESTMORELAND – CALLISIA STYLE VILLAS

Starting from US\$ 3,445,763.00

A sweeping driveway takes you past the double carport to a splendid porch entry, which opens immediately to a large hallway. Leading on from the hallway a spacious living room awaits. Here, French doors open onto a covered outdoor living and dining area. A leisure pool with sun deck completes the experience. Inside, a short corridor leads to two guest bedrooms while a modern open plan kitchen opens off the living area. Here more French doors open onto a second outdoor area, with bar and barbecue.

The ground floor in the Callisia Villa also has a guest powder room, convenient for busy families. The first floor consists of a master suite which includes a covered balcony on one side. Here you can enjoy the refreshing trade winds before turning to the other delights of the suite, which include his and hers walk-in wardrobes, a dressing room and an en-suite bathroom opening onto a small veranda. A fourth bedroom opens to its own small veranda. If there's not quite enough space for your needs, then consider a two-bedroom cottage opening onto the pool deck as an addition to the main property.
