

HEYWOODS ESTATES LOT 30 & 31

Two prime residential lots in the quiet, well established neighbourhood of Heywoods Estates in St. Peter.

The lots total 17,989 square feet, are gently sloping and feature lovely ocean views. The lots are ideally located within walking distance of the beach and Speightstown which offers a host of amenities and services. In addition, Heywoods Estates is just across the road from the prestigious Port St. Charles marina and less than a kilometre south of the Port Ferdinand marina and development.

The land offers excellent investment potential as it would be ideal for either a single villa with a cottage, two separate villas or perhaps a small townhouse or condo development.
