

BLUE MOON

Blue Moon is an immaculately maintained 4-bed/ 4-bath home situated on the verge of a lush gully in the peaceful residential neighborhood of Colleton Gardens, just north of the quaint fishing village of Moontown.

The house is three-tiered with modern, quality finishes throughout. en-suite bedrooms - all rooms leading onto a verandah. The outdoor deck is perfect for entertaining and barbecuing and features a 7 person Jacuzzi.

The top floor comprises the master suite with a private verandah, built-in wardrobes and bathroom with shower and double vanity.

The lower level hosts a self-contained studio apartment that can also be used for storage. If not required as an additional bedroom, it could easily be a gym or recreation room.

The property is located minutes from Speightstown and just south of the fishing village, Moontown, Port St. Charles and Port Ferdinand marinas are also close by. Residents of Colleton benefit from a path that leads down to the beach. A lovely house in a great neighborhood.
