

## REEDS HOUSE NO. 4

Barbados

Sitting along the island's famed Platinum Coast, you'll find this luxury condo that's part of the private development of Reeds House. Only steps away from the beach and close to the area's top attractions, this is one of our top villas in Barbados. One of the most developed islands in the Caribbean, Barbados draws a half a million jet setters and sun seekers per year to its shores.

This villa boasts a private plunge pool jacuzzi on a terrace that also includes a covered lounge area that overlooks the water. If you need more space to swim, Reeds Bay Beach is only steps away, just after the private tropical garden. Boasting beach chairs and sun umbrellas, you can choose to lounge on its soft sands or go snorkeling in its crystal clear waters.

Even when you're inside you'll feel connected to the sea—there are views of the water from every room. Throughout the condo you'll notice cedar and marble finishes and high-end furnishings. The living room opens up to the terrace via arched doorways, and is an inviting space done in soft hues of cream. Nearby, the fully equipped kitchen includes premium appliances and granite counters.

This home's two individually decorated bedrooms will comfortably sleep up to four guests. Both suites offer air conditioning and en-suite bathrooms with marble finishes and walk-in showers. The master bedroom boasts a king size, corner bath and a walk-in closet, and also opens up to a private terrace.

While staying here, you'll be close to the area's hot spots. The diverse restaurants and upscale shops of Hometown are just 10 minutes away, while the five-star Sandy Lane golf course is a 15-minute drive from the complex.
