

## MANGO BAY

Set in lush, tropical gardens, Mango Bay has been described as one of the most beautiful beachfront houses in Barbados.

The elegant formal living room flows out onto the gracious patio living area, inviting guests to linger over the views of the gardens and the sea beyond. Paths lead to the charming dining pagoda situated not only by the sea, but also by a picturesque lily pond. Guests can dine here, or also in the dining pavilion which seats fourteen and overlooks the swimming pool.

The master suite, with its adjoining marble bathroom, has two twin beds, remote-controlled air-conditioning, and two telephone lines. There are three additional double bedrooms in the main house, all with their own en-suite bathrooms and air-conditioning. A single bedroom is also available in the main wing.

The cottage, set back on the southern lawn offers two fully air-conditioned double rooms.

For quiet relaxation, the study houses a television, video, and an extensive library. Communications are kept open with four telephone lines, including a fax line and an internal intercom.

The modern kitchen, capable staff, and night security all contribute to a carefree holiday.

Mango Bay is located between Holetown and Speightstown, with the closest hotels being Glitter Bay and the Royal Pavilion. Furthermore, the Royal Westmoreland Golf and Country Club is just a five-minute's drive away.

Mango Bay offers quiet relaxation and peaceful ambiance on the Caribbean Sea. A stay here is truly an experience to be remembered and repeated.
