

RED - INCH MARLOW

Red is the colour of love, and this modern 4 bedroom, 3 bathroom property was dreamt of, designed & built with this in mind. It simply evokes that heart-warming sentiment! Guests are instantly immersed in a true nature lover's paradise, with the beautiful landscaping and gardens of the property, which are delightfully complemented by the steady Atlantic Ocean breezes.

Guests enter RED through the sliding car gate into the open garage. A few steps later and you enter the contemporary sanctuary, where the open plan kitchen, living room and patio create a warm & homey feel. The patio is perfect for spending your days quietly relaxing in the sun, or entertaining family and friends.

The kitchen is modern and well equipped, sure to bring a smile to any chef's face. Just off of the kitchen is the external patio where you can have your morning breakfast or romantic evening dinner under the stars. It doesn't get any better than moonlight dining!

Upstairs are the modern 4 bedrooms that are blessed with cooling sea breezes, and each with their own private patio to view the wonderful surrounding areas. Each bedroom comes with its own private en-suite bathroom.

When you are ready to venture out there is a wonderful beach just a few steps away. This long rugged stretch is perfect for the nature enthusiast or for those who just enjoy watching the ocean. While this beach is not ideal for swimming, a wonderful option is located just a few minutes walk or drive away.

The surrounding neighbourhood is peaceful and quiet, with several local Barbadians living nearby.

Red is located slightly off the beaten track but is truly a worthwhile option for a peaceful retreat and reconnection with nature.
