

GLITTER BAY NO. 201 - ETERNITY

Glitter Bay 201, also known as 'Eternity', has an enviable position right on the beach, offering amazing views of the idyllic coastline and turquoise Caribbean Sea.

The white sands and lush tropical gardens provide an incredible backdrop for this island penthouse retreat, which feels worlds away from the modern pace of life. The owners have spared no expense; the property has been lovingly maintained and upgraded to create one of the most attractive holiday homes on the West Coast.

A relaxing teal and white colour scheme adds character to this space which feels modern and beach chic at the same time. With ample seating outdoors on the terrace, visitors can enjoy al fresco cocktails while looking out at the water and mature tropical gardens.

As part of the Glitter Bay Estate, guests at Eternity have access to a private entrance, ample parking, swimming pool, beach bar, full-time security and management services.
