

HOLETOWN, VAUXHALL

 Saint James, Barbados

A unique development opportunity in a prime beachfront location in Holetown.

The property comprises 3 adjacent parcels of land totalling circa 67,000 sq ft. There are 3 buildings (one on each lot) offering circa 13,200 sq ft of covered area. There are several existing outbuildings as well which are presently used as storage.

A private driveway offers access from Highway 1 all the way to the beach. The site offers approximately 250 ft of ocean frontage.

One of the few remaining west coast sites available for development, this property is ideal for a magnificent estate home or a multi-unit development.

Inquire for more information or to arrange your private tour.
