

PROSPECT LOT

 Saint James, Barbados

This large residential lot on the west coast measures just under an acre with an unobstructed sea view. This property is ideal for development, as a large single-family home or as an investment property. The site's proximity to the popular west coast beaches, and easy access to retail services, shopping, restaurants, and entertainment presents a wide range of potential real estate projects, such as townhouses for resale, long term or short term rentals. Bridgetown, Holetown and Warrens are all within a twenty minute radius.
