

ROYAL WESTMORELAND - THE ELLE

New for 2022, the Elle Villa is a stunning and contemporary single-storey property. With three bedrooms, they offer an idyllic setting for families and friendship groups to enjoy the full luxury of Caribbean villa living.

The Elle has plenty of curb appeal, with a modern spin on the classic colonial columned entrance, and large windows throughout. You may also choose the additional benefit of a double car port, which would be positioned alongside. Beyond the entrance hall, you will find yourself in the spacious open plan living and kitchen area, plus a study for any business needs. The kitchen includes an island with breakfast bar seating for four, perfect for entertaining, and is fitted out to the top specification Royal Westmoreland is known for.

Wall-to-wall sliding patio doors welcome in the beautiful sunshine and views, and allow effortless access to the property's covered patio and formal al fresco dining space. Beyond this is an extensive patio and generously sized private pool, plus there is the option to add a gazebo with bathroom.

The master suite is truly exquisite, and like the living area, benefits from pool views and direct access through the patio doors. It is completed by a spacious en-suite with double sinks. There are two further double bedrooms, one with an en-suite and the other conveniently located by the family bathroom.

Initially being built on Jasmine Grove, a quiet cul-de-sac on the resort, you can enjoy an elevated position catching a glimpse of the Caribbean Sea on the west, or take in golf course views to the east. Other positions on resort are also available, please just chat to us to find your perfect location.
