

'MARI SOL' OCEAN CITY #68, ST. PHILP

 Saint Philip, Barbados

This stunning 4-bedroom 6-bathroom oceanfront property is situated on the scenic south eastern neighborhood of Ocean City, St. Philip. The property is split into two residences that consists of the upper-level master suite, two bathrooms, living area, kitchen and two patios that offer breathtaking views, and the lower level three-bedroom two-bathroom self-contained apartment. There is a hallway that connects the two areas where you can have either one large residence or two separate units. The property sits on 9000 sq ft with 4500 sq ft of building space, fully enclosed with a pool and deck and a terrace area at the front that overlooks the south east ocean. There is an enclosed garage with an automatic gate and laundry area. There is photovoltaic solar system that is hugely beneficial in lowering the electricity costs of the property.
