

INFINITY HOUSE (SIX BEDROOMS)

The Infinity House is a new property located on the Calijanda Estate, meaning that, when you visit Infinity House, you'll be treated to picturesque and unforgettable sights of Barbados's West Coast, as well as the blue skies and azure sea that the island is known for. For those who like nature more than aquatic sights, check out the majestic row of Royal Palms that line the avenue up to the property as if they're welcoming you to the vacation paradise of your dreams.

Stretching across 8,000 sq. ft. of land, Infinity House is a luxury property that has been built with no worry or hesitations due to expense. Attention to detail is inherent in every placed brick and angled furniture so that they could create a postcard-worthy home no matter where you look or what you're doing on the property. Additionally, energy-saving methods are built into the property as well, so that you can enjoy your vacation without having to worry about increasing your carbon footprint. From ventilation techniques, overhanging balconies, and low-energy fixtures and fittings, Infinity Home is specifically crafted to encourage airflow, reduce the consumption of power, and reduce heat from the sun.

Infinity House is undoubtedly one of Barbados's first-rate residences. The property features an open-plan design that offers practicality and spaciousness, meaning that you can hang out with your other guests as much or as little as you'd like. With eight bedrooms (all including double beds), you'll find that this property can fit up to 12 guests and that they'll be treated to lavish relaxation treatments with the en-suite bathrooms that adjoin each room. As for amenities, you'll have access to numerous courtyards and balconies, a media room with Wi-Fi and television (as well as Wi-Fi and television in every bedroom as well), a stunning dining pavilion, and a kitchen (filled with professional-grade appliances and tools), and many more things to guarantee that your vacation is everything you want it to be and more.

For those in your party who are more active, point them in the direction of the gymnasium or infinity-edge swimming pool and watch them exercise to their hearts' content. Otherwise, head to the nearby beach and make a complete experience of it by running along the temperate sand and sticking your toes into the cool, refreshing ocean water.
