

## PRIOR PARK TERRACE

 Saint James, Barbados

This charming, single storey home is situated in the highly desirable residential neighborhood of Prior Park. It is about a five minute drive to the Warrens area and to the beautiful calm beaches on the west coast.

The open plan living and dining areas extend onto the covered patio overlooking the garden, with partial ocean views in the distance. The kitchen has ample storage and has an additional room next to it which can be used as a play room, office or gym area. The primary bedroom is en-suite and the other two generously sized bedrooms share the second bathroom. The property is fully enclosed with a double garage, laundry area and additional storage space.

The owner has done some upgrades in the past, and with a little more work, this inviting residence can be an ideal home for a young family with enough garden space for children and their pets.
