

LOT 11 CHELWOOD, TWO MILE HILL

 Saint Michael, Barbados

Looking for an investment?

This property is in close proximity to modern amenities such as schools, university, malls and the highway making this investment quite appealing.

There are 12 bedrooms with private bathrooms to service almost all of them making this the ideal place for elderly care or student residences.

The property is enclosed and is located in quite a relatively small development.

Upon entry to the living/reception area there are 2 bedrooms which share a bathroom. The sunken area leads to the kitchen, terrace and bathrooms. These are all positioned to have easy access to a huge dining room, and additional surrounding bedrooms etc.

There are steps which lead you to the first floor and from the landing it opens to a recreational area, additional bedrooms and ensuite bathrooms.

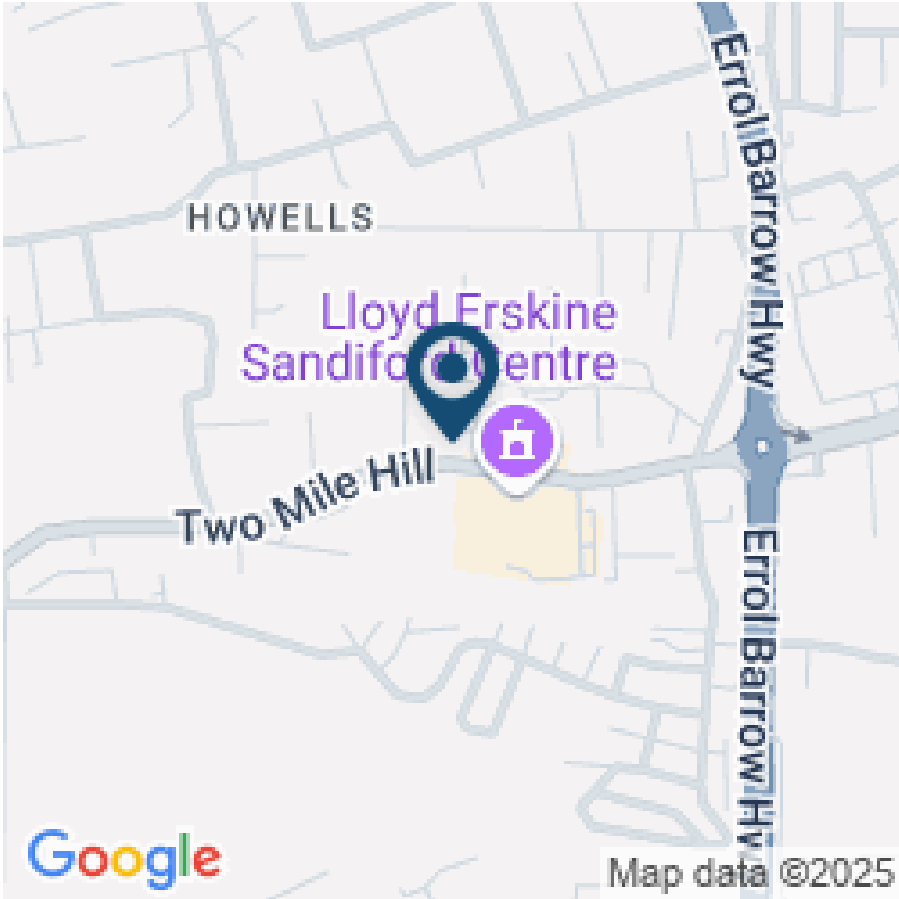

The extension is quite expansive and even though its unfinished, the potential of it gives excellent possibilities. This western wing has a ground floor area of just over 1,000 sq. ft. with double access. The first floor is comprised of 2 bedrooms and a 2.5 bathrooms apartment which has open living, dining and kitchen area. The upper level or the 2nd floor has a deck that gives distant views across the valley.

Location Howells
