

HIGHPARK MEADOWS

Saint James, Barbados

Highpark Meadows is a pristine executive style home built to the highest construction standards. The main house comprises of 3 en-suite bedrooms all of which have walk in closets and lead onto a shaded poolside patio.

Well laid out kitchen with granite counter tops and breakfast nook

There is a separate and en-suite cottage well suited for guests or as a home office.

The 32x16 swimming pool is surrounded by an extensive deck in a private court yard with an outside shower and changing facilities.

Much careful planning and detail has gone into this property such as the backup generator, water softener, water storage tanks and irrigation system.

All rooms are wired to handle 110V and 220V appliances with electrical breakers for the electrical plugs and all the rooms are wired for cable access.

The house and cottage are independently protected and monitored by a security company and video surveillance.

The size of the property is 21,356 sq. ft. and is ideally situated in a quiet cul-de-sac within minutes from the Warrens commercial and the west coast beaches.
