

EASTBOURNE COMMERCIAL LOT, ST. PHILIP

 Saint Philip, Barbados

This 1.09 acre commercial site located on Highway 5 in Eastbourne offers excellent investment potential with existing Town Planning Approval for development into a strip mall inclusive of space for a fast food restaurant with drive through. The site features 120 feet of frontage on Highway 5 mere steps away from two bus stops. Additionally there is a high population in the immediate vicinity and an estimated 7,000 to 8,000 cars pass the property on a daily basis based on recent traffic counts. These figures combined with the lack of retail and restaurant offering in the immediate vicinity suggest that this site is ripe for development.
