

"PEACHES" LASHLEY ROAD, FITTS VILLAGE

 Saint James, Barbados

"Peaches" is located on the west coast on a small cul-de-sac road with just five other houses. It is approximately a two-minute walk to the beach.

The property consists of a two-bedroom one bathroom apartment upstairs. This was added to the existing property in 2000. It has a panoramic view of the Caribbean Sea from the wrap-around patio. Inside is an open-plan layout with a vaulted ceiling throughout. The bedrooms are air-conditioned. This apartment is booked year-round with repeat visitors and was even occupied during the period that the island was in lockdown.

On the lower level there is a front patio enclosed in security grills this leads into an open living and dining area, with a kitchen. There are three bedrooms and two bathrooms, the third bedroom is ensuite with an added feature, that of a small kitchenette area which allows for the room to be closed off from the main house. It is sometimes utilized as a short-term rental, as there is an exclusive entrance, turning it into a studio apartment with a lovely seating area in the garden. All bedrooms are air-conditioned

There is a laundry room at the base of the stairs leading to the upper level, this is used by the guests. Then there is a back patio on the lower level which also has laundry facilities

The property is fully enclosed with two entrance gates as well as security cameras. There is a major supermarket less than ten minutes' walk away as well as a number of restaurants in the area. A ten-minute bus ride brings you north to Holetown and 15 minutes ride south to Bridgetown.
