

CLAPHAM COURT, ST. MICHAEL

 Saint Michael, Barbados

This energy efficient office is the only available space within this highly visible complex and ticks all the boxes for efficiency, flexibility and functionality. It's in a prime location just minutes away from Bridgetown and the south coast and is in close proximity to banks, gym, restaurants and shopping facilities.

The space is positioned on the first floor where access is hassle free and parking is available for both clients and staff. The space is quite large and allows for natural light to illuminate many sections. There are dedicated areas for staff and virtual meetings, a large reception area, private offices, training rooms, provision for a dedicated lunchroom and the space can also be adjusted to suit current and future business. The convenience of having the elevator is paramount not only for safety and mobility but it also benefits the aged and disabled population looking to do business within the complex. There are male and female washrooms on each floor.
