

KENSINGTON MALL SHOP #2, FONTABELLE

Saint Michael, Barbados

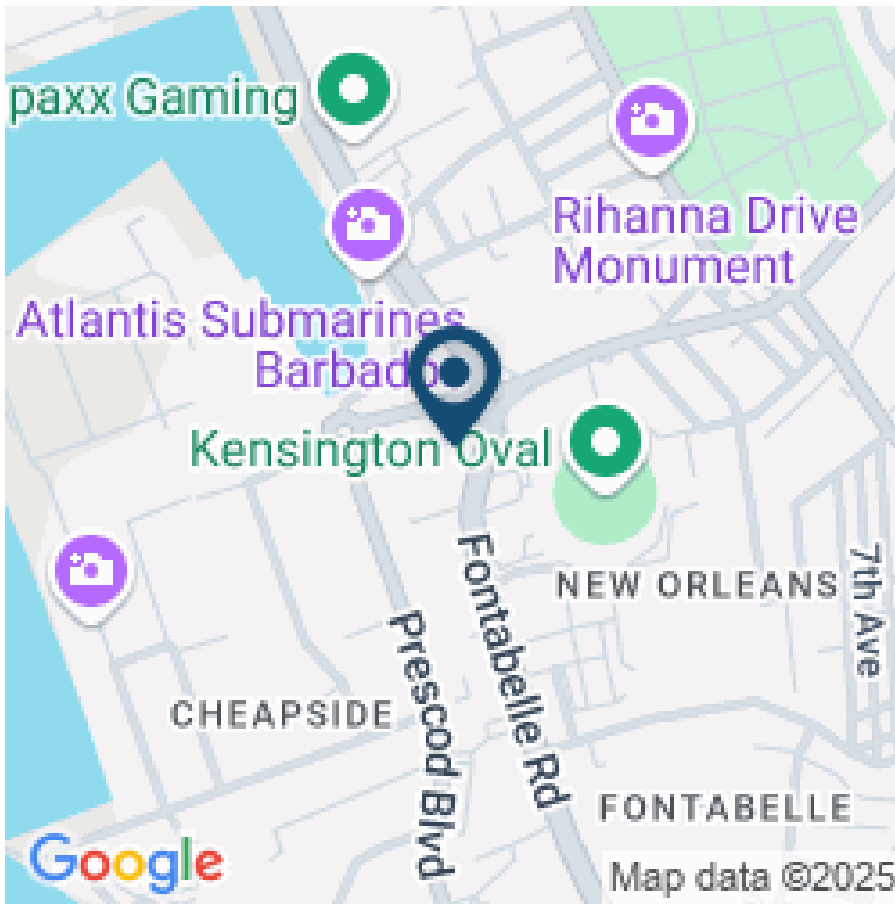

This bright, 336 square feet open plan retail unit nestled in Kensington Mall, on the outskirts of Bridgetown, is an exciting opportunity for a brand to launch their physical store. With a large window frontage and bright lighting, you'll be sure to attract the attention of both locals and tourists that pass through this busy intersection regularly. With a plethora of businesses in the area, couldn't ask for a better location to kick start your idea.

Kensington Mall is a shopping center with easy access, great parking, and free WiFi available. Customers can conduct business or shop in air-conditioned comfort and avoid the hustle and bustle of the city as it is advantageously located on the border of a business hub, where traffic is less congested and there are several public transit choices. Our mall provides security and a welcoming environment inside a creative community. The space enables for customization while yet giving complete isolation and access to restrooms. In addition, we offer online and front door directory listings.

The rental listing of this space is \$2,303.00 monthly, {vat inclusive}. It does not include light however; it includes the upkeep of common areas. Call us today before your competitors do!
