

VAUCLUSE HOUSE

Saint Thomas, Barbados

Behind the nondescript automatic entry gates sits a property that is truly unique. The eccentric fully furnished main house, has three bedrooms and two bathrooms. The impressive front hallway leads to the grand dining room, spacious living room and cosy den. The eat-in chef's kitchen features a sub-zero fridge/freezer, a Vulcan range, a brick oven and easy access to the covered patio. The covered patio is the perfect place to lounge by the bar having a cool drink, just steps away from the large pool below. The original custom made furniture along with the stone walls, particular art and period features help to make this home one of a kind. There are ceiling fans throughout and AC in the bedrooms. A must see.
