

SUNCREST VILLA A

 Saint James, Barbados

Suncrest Villa is a breezy two-bedroom cottage nestled on a tropical cul-de-sac just a stroll away from the crystal clear beaches and lively shops and restaurants of Holetown off the West coast of Barbados. The spacious open-concept layout opens up to a terrace complete with shared plunge pool, dining area and grill. The fully-equipped kitchen makes it ideal for families seeking balance between healthy meals and dining out, all within walking distance to a modern supermarket. This villa is fully furnished and appointed with everything you could need including a spacious kitchen and small plunge pool. The house and grounds are immaculately maintained and situated on a tropical cul-de-sac. Every part of the villa is designed with guests in mind, including thoughtful amenities to enhance your experience such as fresh linen, towels and a starter supply of soap and paper products.
