

BAYWATCH

 Saint John, Barbados

Introducing “Baywatch,” a captivating 5-bedroom, 4.5-bathroom sanctuary nestled on an elevated lot overlooking the picturesque Martins Bay in Barbados. This stunning property boasts a self-contained apartment and is adorned with lush gardens teeming with fruit trees, offering a tranquil oasis for both relaxation and exploration.

Upon entry through the electronic gate, you’re greeted by a meticulously maintained home equipped with backup water and a full gas generator, ensuring comfort and convenience at all times. The main residence, located upstairs, features a spacious patio and living area with breathtaking ocean vistas, seamlessly flowing into the kitchen adorned with wooden cupboards and solid countertops. Adjacent, find the laundry and a powder room for added convenience.

All bedrooms are strategically positioned on the windward side of the home, providing sweeping ocean views through bay windows. The master suite boasts an en-suite bathroom and a bay window alcove perfect for savoring morning coffee while soaking in panoramic sea views.

Discover the inviting self-contained apartment on the ground floor. Just off of the covered garage you enter into a comfortable lounge area which opens into the dining and kitchen. Each bedroom offers its own bathroom and ample cupboard space. The outdoor space, off of the lounge, is ideal for barbecues and unwinding amidst the lush gardens.

The meticulously terraced lot creates unique spaces to enjoy and harvest fruits, while Martins Bay beckons just a short stroll away. Experience the charm of the local village, with its friendly atmosphere, authentic Bajan cuisine at the Bay Tavern, and opportunities for fishing and hiking.

“Baywatch” presents a rare opportunity to embrace a hidden gem, offering not just a residence, but a lifestyle of tranquility, adventure, and community in beautiful Barbados.
