

BAYWATCH, MARTINS BAY, BARBADOS

Tucked away amidst the tranquil charm of Martins Bay in St. John, Barbados, Baywatch presents an unmatched fusion of opulence, coziness, and natural allure. This enchanting estate offers a rare chance to possess a piece of paradise, boasting awe-inspiring panoramic ocean vistas and a lifestyle defined by unparalleled serenity.

Spanning across two levels, this residence provides ample room for both family living and entertaining. The main house showcases three expansive bedrooms and two and a half baths, emanating an ambiance of refinement and calmness. Furthermore, the apartment below features two bedrooms and two bathrooms, along with a full kitchen, living area, and dining space, making it perfect for hosting guests or accommodating extended family members with privacy and comfort. Baywatch affords unobstructed ocean views from various vantage points, serving as a constant reminder of the idyllic surroundings enveloping you.

Crafted for convenience and peace of mind, this residence is outfitted with essential modern conveniences, including a generator and backup water tanks.

Indulge in the splendor of nature amidst Baywatch's meticulously manicured gardens, sprawling across half an acre. Uncover a haven of verdant foliage, vibrant blossoms, and mature fruit trees, crafting a tranquil backdrop for relaxation and outdoor pursuits.
