

THE BEACH HUT, ST. JAMES, BARBADOS

Introducing “The Beach Hut,” an exquisite vacation home situated on the captivating West Coast of Barbados. Completed in 2002 and immaculately maintained, this elegant residence has been occupied for only a few weeks each year. Boasting an elevated beachfront position, the property offers unparalleled views of the mesmerizing sea. Spanning across split levels, the villa encompasses 6,500 sq. ft. of airy living space, featuring six en suite bedrooms. Three of the bedrooms include walk-in closets, and all bathrooms showcase exquisite marble floors and tiling. For optimal comfort, the house is fully air-conditioned.

A private stairway gracefully descends from the pool deck, granting direct access to the pristine beach below, where the tranquil waters of the Caribbean Sea gently caress the shore. The nearby coral reef presents an exceptional opportunity for snorkeling enthusiasts.

Ensuring complete privacy, the property is fully enclosed and surrounded by lush tropical vegetation. Electric gates and a double-car garage with electric doors provide additional security and convenience.

The Beach Hut’s location offers effortless access to excellent shopping facilities and an array of amenities. Within a mere 15-minute drive, residents can indulge in the world-class Sandy Lane and Royal Westmoreland golf courses, as well as savor the culinary delights of some of the island’s finest restaurants.

Uncover the allure of “The Beach Hut,” a haven where luxury, tranquility, and convenience converge for an unforgettable holiday experience.
