Serene Family Home in St. George

Nestled in a tranquil corner of St. George, this contemporary family home sits on 3.5 acres of elevated land, offering stunning views of the countryside. The property features 4 bedrooms, each with private bathrooms and walk-in closets. The spacious kitchen boasts generous built-in cupboards, granite countertops, and an open-concept sitting/living room.

A large, covered patio leads to the heated swimming pool with an open deck, powder room, and wet bar, which in turn opens to another covered dining terrace overlooking the grounds. The lower level on the eastern side hosts one of the four spacious bedrooms and a large family room, while the lower level on the western side includes the laundry room, storeroom, and staff facilities with access to the gardens.

Beautifully designed by Michael Gomes Architecture, this home exudes charm and character, making it a perfect family retreat.
