

ROYAL WESTMORELAND, SEA BRIDGE

 Saint James, Barbados

Nestled on the stunning Jasmine Ridge is one of Royal Westmoreland's latest villa designs, the Tamarind Villa. It is an exclusive address, part of our Turn Key Collection, it is fully furnished and move in ready! Westerly facing, Jasmine Ridge offers those incredible sea views, which are best enjoyed from the first floor living area. This space is bright and airy thanks to the wall-to-wall sliding patio doors which open onto the well-appointed terrace, with its formal dining and casual seating, plus a barbeque area. Inside, there is a large designer kitchen with central island and breakfast bar seating, while opposite you will find the comfortable living area plus a convenient office space.

There are four beautiful end-suite bedrooms in this property, one on the mezzanine and three on the ground floor. All sumptuously decorated, the master suite treats its guests to the additional luxuries of a walk-in wardrobe, an end-suite bathroom, and direct access to the pool deck via large patio doors.

Outside, the pool is the perfect place to cool off, and can be accessed from the living space and upstairs terrace by an external staircase. At the front of the property meanwhile is the separate entrance to the breakout room; ideal for families wanting their own space to relax in.

Sea Bridge is fully furnished and ready to move in.
