

COOL BREEZE, ST SILAS

 Saint James, Barbados

Cool Breeze is a breathtaking home featuring awe-inspiring panoramic sea vistas. The property is set over two levels.

The upper level comprises 4 bedrooms, a large pool deck, a kitchen, and living and dining areas. The views from the pool deck are transcendent. It is just steps to dining and entertainment. A gym and garage complement the lower floor with easy access to the upper floor.

This peaceful home has some of the best sea views in Barbados.

The living areas feature an open plan design. The property is decorated with lots of white, nautical blues and contemporary black-and-white photography.

There is a bar in the kitchen with a cosy breakfast nook. The space is cooled by ceiling fans and takes advantage of the sea views.

The dining area seats at least eight persons and captures superb sunsets. Take a few steps and enjoy cocktails by the pool with soothing sounds from a relaxing fountain. The pool is large enough for laps. It has a wide ledge where you can sit and enjoy canapes. Loungers can be placed in the shallow end. This is perfect for soaking up the sun.

Wake up to calming views from either of the main bedrooms. Elegant bamboo chairs, soothing whites and modern photography. These all give it a contemporary look and feel.

Both the main bedrooms have en suite bathrooms and ample closet space. The final two bedrooms share a spacious bathroom. This is fitted with double sinks, mirrors and a shower. A mounted TV, books and reading lamps offer options for entertainment in comfort. A writing desk offers a great place to work

Atop the stairs, you feel a cooling breeze wafting upwards.

Use the eclectic rope handrails. These lead you to the outdoors, a covered garage and the gym. You know

you have arrived at the gym marked by a striking photo of Muhammad Ali. The perfect “fight for it” inspiration. The gym has a TV, free weights and yoga mats. There are also exercise balls, treadmills and more.

The neighbourhood is quiet and offers privacy. It is a short drive to beaches and the excitement of the platinum coast.
