 Christ Church, Barbados

Graeme Hall, Christ Church

Graeme Hall is traditionally one of the highly sought-after neighborhoods on the south coast of Barbados, and this is a good example of the real estate in the area. The spacious two storied home features three bedrooms, three bathrooms, a modern kitchen and plenty of living space. The covered veranda and deck are ideal for enjoying time outdoors or entertaining with family and friends. Like many of the other homes in this area, there are several mature trees on the property. Fully enclosed, access to the property is secured with an electric gate and garage door.

Graeme Hall is an ideal location with amenities available within easy reach at several locations. Proximity to Hastings, Oistins, Sheraton Centre and Wildey makes this a truly central location.
