

INCH MARLOW, CHRIST CHURCH, BARBADOS

 Christ Church, Barbados

“Inch Cubed” Inch Marlow

This is an award-winning example of modern Caribbean architecture. This custom designed two bedroom two-bathroom home has 2,226 square feet of floor space on a lot measuring 10,285 square feet. Careful attention went into all aspects of this project; it is easily seen in the interior design, high end finishes and the outdoor living spaces and landscaping. Special features include a photo voltaic system, potable water and rainwater storage. Future development was also considered; the home has been designed to easily accommodate expansion for additional bedrooms and bathrooms.

Inch Marlow, still one of the island’s very desirable locations “Inch Cubed” is walking distance to Long Beach and a short drive to Silver Sands areas popular for kite surfing and windsurfing. Proximity to Oistins, Atlantic Shores, Miami Beach, the south coast commercial district and the Grantley Adams International Airport makes this home a wonderful residence or viable investment property.
