

HEYWOODS ESTATES ***UNDER OFFER***

 Saint Peter, Barbados

***See Video Below ***

This property sits on a spacious corner lot in a well-established neighbourhood and is ideal for anyone who wants a combination of residential and rental investment benefits.

What once started as a family house has been converted into several spaces for the convenience of the owner and possible guests.

On the ground level, there is a primarily residential style space which has the advantage of being able to lock off into two distinct spaces.

To the right, there is a one-bedroom retreat which has the benefit of its own patio, kitchen, dining and living area, bedroom and adjoining bathroom. The space to the north of it also has a living space, a small bedroom, its own kitchen and an additional loft space and sublevel. The loft has a low ceiling but could be ideal as a children's playroom or bedroom area. The sublevel is perfect for a games and family room.

To the rear of the property, there is access up the stairwell to a 2-bedroom, 1 bathroom apartment and also a 2 bedroom, 2 bathroom apartment.

The property is fully enclosed and has fully matured landscape. It does need cosmetic refreshers but will continue to be a very inviting space once upgraded.

It is a stone's throw away from the popular Heywoods beach and a 3-minute drive from the many amenities of Speightstown.
