

HOWELLS CROSS ROAD,

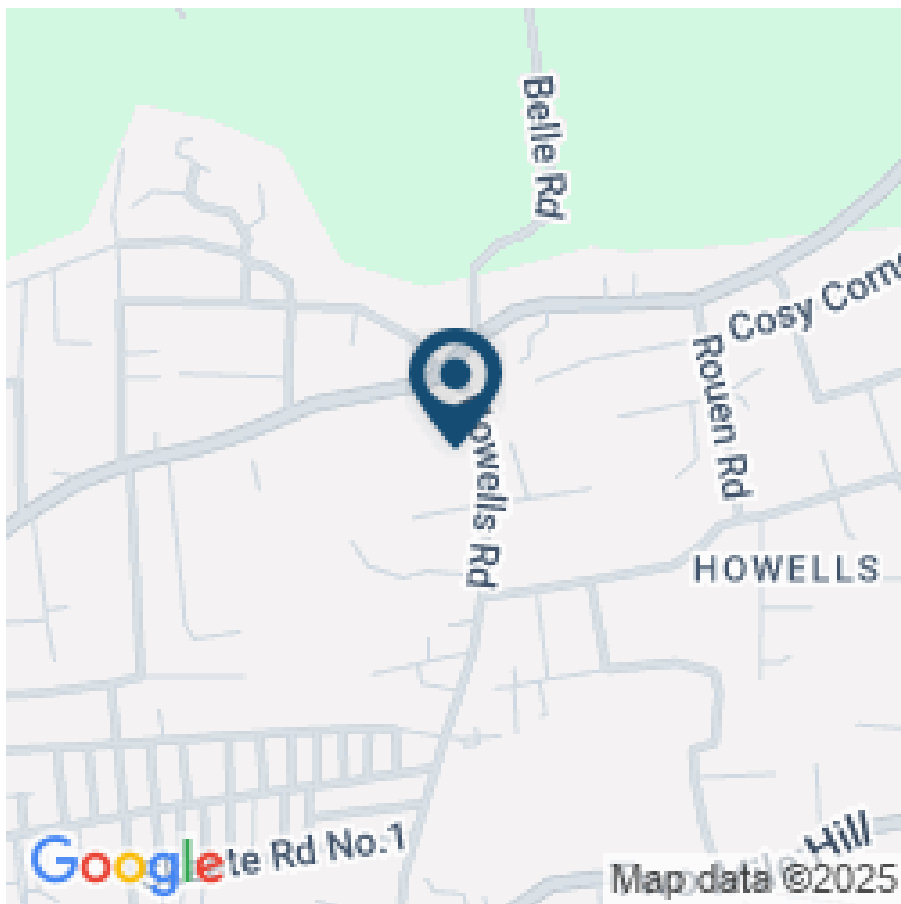

Saint Michael, Barbados

This is a substantial "plantation type" home which has been updated and renovated from time to time, circa 1950's. It is constructed of coral stone and concrete block. It contains a total of 6 bedroom and 5 baths, and has a detached cabana with bathroom currently used as an exercise room. This property is well landscaped with sprawling lawns, mature trees etc. It is very central and located near the intersection of Howells Cross Road and My Lords Hill (1 mile from the ABC Highway and 2.5 miles from central bridgetown). This residence sits on 1.834 acres and in addition to a residential use it may be suitable for conversion to offices, school, home based distribution business, wedding venue or similar.
