Each home is thoughtfully crafted with modern open-plan layouts, fully equipped kitchens, master suites featuring walk-in closets, private patios, paved parking aprons, fencing, and an appealing landscape package. The vision for the new Town Centre at The Residences at Coverley is exceptional. Envision shaded seating areas, dining options, retail outlets, expansive green spaces, a large supermarket, and more—all creating a vibrant hub for residents. Additionally, the nearby town square at The Villages offers further conveniences and gathering spaces. At the heart of the community is the 'Green Necklace,' a 10-12-foot-wide community pathway that winds through the neighborhood, shaded by carefully selected canopy trees and shrubs. Ideal for walks, jogs, or strolls, this scenic path provides a relaxing escape for residents of all ages and their pets. Along the path, you'll find recreational and relaxation zones, including play areas for children, pickleball courts, and amphitheater-style seating—perfect for social gatherings or quiet moments of reflection. Enhancing the community further are 'pocket parks' sprinkled throughout, offering intimate green spaces for residents to unwind. Additionally, each home will have its own tree planted, adding to the lush landscape and the neighborhood's aesthetic charm.
